THE GUEST ROUTE

Arrive in the Lobby from Bay Street, or up the escalators from the TD Concourse. Check in, leave coats, then take the Grand Staircase up to the Trading Floor. The Gallery is one more level up, by the elevators.

STEP-FREE ACCESS

Elevators reach every level. The universal washroom is on Level 1; Level 3's washrooms have accessible stalls. There are no washrooms at all on the Trading Floor.

A section through the building, not a plan — each route is drawn across the levels it reaches.
