- 5** **Stairs to Trading Floor**
Centre stair, down one level
- 6** **Elevator**
Serves every level
- 7** **Fire exit stairs**
Two, both along the north side
- 8** **Freight elevator**
Load-in and crew only
- 9** **Immersive projection walls**
Wrap the hall's inside corner · 7015 × 1080 px
- 10** **Vendor tables**
Indicative — from the event team's gallery plan

Route from the hall to the washrooms

IMMERSIVE AV

Projection, edge to edge	7015 × 1080 px
south run · gap · corner	3242 · 400 · 307
east run	3066 px
LED wall (separate)	1920 × 1080 px
Ceiling, unobstructed	12 ft
LED wall position to be confirmed with the venue.	

GETTING BETWEEN FLOORS

The centre stair drops straight to the Trading Floor, one level down — and that floor has no washrooms, so these are the closest. Elevators serve every level; the two fire stairs are the exits.
