Projection, edge to edge	7015 × 1080 px
south run · gap · corner	3242 · 400 · 307
east run	3066 px
LED wall (separate)	1920 × 1080 px
Ceiling, unobstructed	12 ft
LED wall position to be confirmed with the venue.	

GETTING BETWEEN FLOORS

This level sits mostly over 222 Bay next door — only the service core overlaps the Trading Floor below.
Go down via the stair beside the Boardroom, or the elevators. The centre stair exits into 222 Bay only.
