Wrap the hall's inside corner · 7015 × 1080 px
 - 10** **Vendor tables**
Indicative — from the event team's gallery plan
- Route from the hall to the washrooms

IMMERSIVE AV

Projection, edge to edge	7015 × 1080 px
south run · gap · corner	3242 · 400 · 307
east run	3066 px
LED wall (separate)	1920 × 1080 px
Ceiling, unobstructed	12 ft
LED wall position to be confirmed with the venue.	

GETTING BETWEEN FLOORS

The elevator is the reliable way down to the Trading Floor — and that floor has no washrooms, so these are the closest. The centre stair also heads down; the two fire stairs are the exits.
